Creepy Letters I Received From Luke Wenke - **Letter #1:**

The following letter was delivered to a family member's address in late August of 2023. It contains the forged signature of one of Luke Wenke's other stalking/harassment victims. Note the Buffalo, NY postmark, which indicates that the letter did not leave New York State despite featuring a North Carolina return address, which is an address formerly associated with the victim Wenke impersonates in the letter.

Hi,
I hear you are working for our side
these days. Good. We have a common enemy.
I have a boat and I am a pharmacy
worker. Your employer and your
clients will tell you how to get a hold
of me. I need a girl like you on our
side. TTYL ♡ M [REDACTED] ♡
